Q

Nexus Automatic Filter

- > Hassle free way to clean Nexus filtration systems
- > Automates the cleaning process of the Nexus
- > Easily fits onto Nexus filters (post 2006 models)

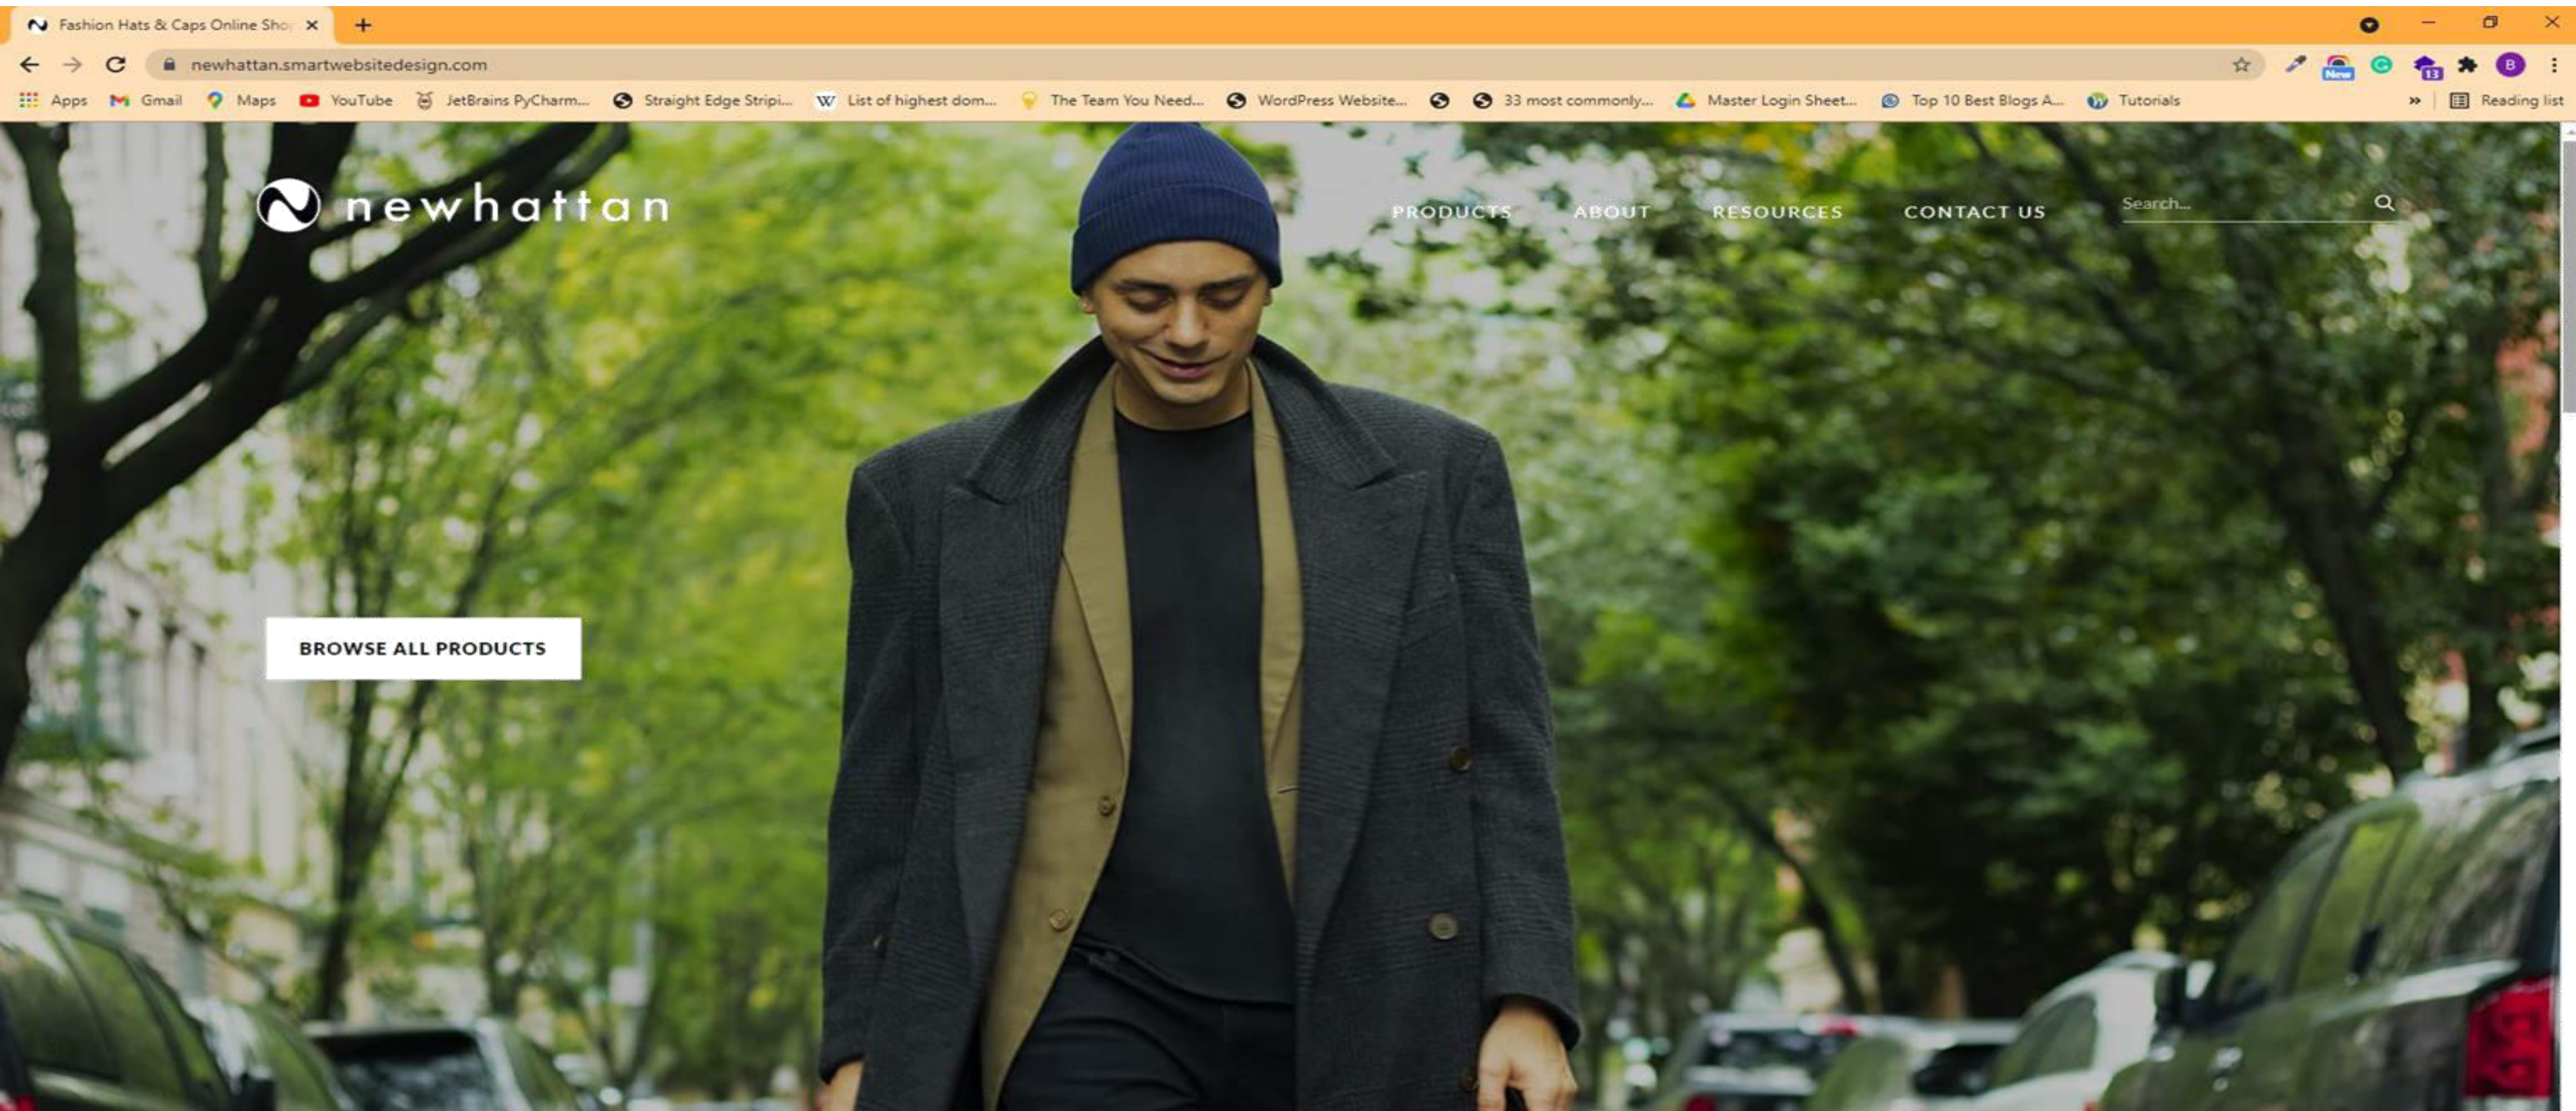

Learn More Find a Dealer

The image shows a large, grey, cylindrical automatic filter unit with a top-mounted motor and a side-mounted control panel. A smaller, circular inset image shows a close-up of the filter's internal components, which are also grey and cylindrical. The unit is connected to a power cord and has various hoses and fittings at the base.
